"PRESS RELEASE"

Sir,

Sub: Launch of Beta version of the new "MyBMTC Mobile App" reg.

For the Passengers convenience, BMTC is launching the Beta version of the new **"MyBMTC Mobile App"** in Android platform developed by Master **Nihar Thakkar**. The key features of the application are as below:

1. **Provides Estimated time of Arrival of buses at bus stops.**
2. **Trip Planner: Enables commuters to plan their journey from origin and destination.**
3. **Stops nearby option.**
4. **Route based search option.**
5. **Favourites option.**

The new **"MyBMTC Mobile app"** will be available in the **Google play store** and the same is to be downloaded/installed for the app to be used. The new app was launched by Sri N.S. Nandiesha Reddy, Chairman BMTC, Smt. C. Shikha, Managing Director, BMTC and Sri. Anupam Agrawal, Director (S&V) BMTC on 24-12-2019.

It is requested to publish the above information in your esteemed news paper for the benefit of the students.

Thanking you,

Yours faithfully,

Sd/-

**Public Relation Officer
