“PRESS RELEASE”

Sub:- Wrong News broadcasted/telecasted in few Electronic Media.

~*~*~*~*~*~*~

It has come to the knowledge that, few Electronic Media have broadcasted/telecasted wrong News regarding the CCTV cameras in BMTC scrapped buses. The News broadcasted/telecasted is totally far from truth and have misled the viewers with a misconception that BMTC is at fault. This is a clear cut case of tarnishing the image of the Corporation. The Reporter, the Editor and their Management are solely responsible for their act.

However, the facts and figures on the subject for the information of Media and general public are as below:

Information on fitment of ITS Devices

- Under the Nirbhaya scheme, BMTC is carrying out the fitment of ITS devices (Vehicle Tracking, Recorder & CC Camera & Panic Button) in 5000 vehicles.
- The said ITS devices are planned to fit in all BS-VI, BS-IV buses, Sarathi vehicles, Mobile Workshops, Wreckers, Store Trucks and the remaining vehicles are accommodated by utilizing the youngest fleet of BS-III buses.
- The ITS devices that are about to fitted/ already fitted in the buses, that are mechanically and physically fit for operation and are continuously in regular en route operation.
- None of the scrapped buses are utilized for operation and the ITS devices are not fitted in any of the scrapped buses.
- Further, 90% of the devices are fitted in BS-IV and BS-VI type of buses.

It is kindly requested to carry the same in your esteemed media for the information of the general public and keep them updated.

Further, the Media reporters are requested to contact BMTC for any sort of information or clarification on any related subject for their News/Stories and not to write or broadcasted/telecasted wrong News.
