“PRESS RELEASE”

Sub: Issuance of Daily, weekly and monthly passes through Mobile app.

BMTC is issuing Daily, Weekly and Monthly passes for the benefit of travelling public.

BMTC is introducing Mobile based digital passes. This creates a hassle free pass purchase experience with cashless, paperless and contactless transactions which enables purchase of passes at their finger tips through mobile app.

Digital pass purchase details:

- Passenger has to download Mobile App named ‘Tummoc’ from play store.
- To register in mobile app, create profile by providing minimum KYC.
- After downloading the app select “BMTC Passes” option.
- In this option Daily Pass/Weekly Pass/ Monthly Pass can be purchased.
- Once the user taps on the Daily/Weekly/Monthly Pass option, fill the required details, then upload user photo, once the image is uploaded the type of ID card to be selected and enter the last 4 digits of the ID card.
- After this the pass preview screen displayed for verification.
- After re-confirming details displayed on the digital pass preview screen the user can proceed to make their payment.
- After payment the pass holder can check the digital pass validity.
- Digital pass will be generated along with a unique ID, validity and dynamic QR code.
- The user shall travel with the selected ID card along with Digital pass in the applicable BMTC services.
- Passenger has to show the digital pass in his Mobile which will be validated by Conductor using ETM. In case Conductor is not having dynamic QR code readable ETM, passenger shall validate the pass by reading the QR code carried by Conductor.
